

Nancy's News
June 2016

This summer is flying and that's good. We can't wait to get back down south to see you all again. So far we have really been busy and that too is good. We are planning a campout now for our local club so we took a drive up to St. Cloud to scout the place out. There is a lot to do there so now we are thinking we should have planned for more days. Oh well, next time - Our days are getting warmer and the humidity has found us. It's a "wet" heat here you know and I just can't breathe in that humidity. I know, we have been keeping track of the weather down south too so I shouldn't complain. We live on the river in Minnesota and last weekend Grant was out in the yard watering our flowers along the bank. I was out on the deck when we heard a lot of young voices. It wasn't long and we saw the commotion. There were about thirty young people on inner tubes and air mattresses, etc., coming down the river, tossing big beach balls back and forth. Grant couldn't resist and finally he had to lift the hose and spray them down. They thanked him! A while later, here came ten more. We asked them who they were and they said they were two different church groups. Oh to be young again. I so wanted to join them but ...

Before I get much farther, I want to remind you once again about our future activities.

- The Eastern International Rally, DoQuoin, IL, July 17 – 23, 2016 with early parking on the 15th
- The AZ/NM State Rally, Wickenburg, AZ, October 25 – 29, 2016
- Christmas campout, Distant Drums Campground in Camp Verde, AZ, Dec. 6 – 9, 2016, with early parking on the 5th
- Quartzsite dry campout, January 15 – 19, followed by Rice Ranch in downtown Quartzsite, January 20 – 25th
- Our breakfast will continue the first Tuesday of the months, Jan. through March. The time is 9:30 at Coco's Bakery and Restaurant in Arizona.

Our nominating committee has been hard at work and I do believe they have someone lined up for all offices. I thank all of you who "finally" said yes and to the committee for their effort and hard work. I ran across this and feel it's appropriate at this time. Teamwork is: Coming together is a beginning, Keeping together is progress and Working together is success ... Henry Ford

Want to have some fun? Try this...

1. Key the first 3 digits of your phone number into a calculator (not your area code, but your phone number.)
2. Multiply that number by 80
3. Add 1
4. Multiply by 250
5. Add the last 4 digits of your phone number
6. Add the last 4 digits of your phone number again.
7. Subtract 250
8. Divide by 2

The answer is surprising...!!!

I have been reading so much about having a locator card in your vehicle when you are traveling. If you happen to have an accident in your car, no one will know where you are camped and you may have a spouse or pet waiting for you back home. It doesn't even have to be an RV.

Emergency Locator Card

Every time you get to a new location fill one out and keep it in the toad. (Do it in pencil so you don't have to change the whole thing.) Carry one with you when you go off by yourself for a walk or jog. You get the idea...

Sure God created man before woman but you always make a "rough draft" before the final "Masterpiece".

We were sorry to hear the news that Ed Melone had passed away. I like to hang on to good memories of fellow campers.

Sharry wrote that she has finished up with her cataracts so that is always a good feeling. However, now she had to have a lumbar mylogram for her back. I don't even know what that is! I do know it's an all day procedure. Hang in there my friend.

Kay finally had her hip surgery this month and so far so good. She is having a full summer. Sure are thinking of you Pal.

Sad news came when we learned Jim Warner is now in Hospice care. He is in good hands so will be well taken care of. He certainly has put up a good fight.

Freezer Dessert

1 box (12) ice cream sandwiches
